PHYSICAL ASSESSMENT PRE-TEST MEDICAL RELEASE AND WAIVER

I am voluntarily seeking employment with the Sanpete County Sheriff's Office, in a position that requires POST certification. As an applicant for such a position, I understand that I will not be covered by Worker's Compensation if I am injured or hurt myself during the testing and application process. I further understand that if I am already an employee of the Sanpete County Sheriff's Office, I am taking this test on my own time and for my own benefit, in accordance with the Sheriff's Office policy.

I have read the descriptions of the events and I realize the inherent risks in taking the tests. I have been advised to address any concerns I may have in taking the tests with my personal physician. I assume the normal risk of injury and the risk of hurting myself while taking the physical agility test.

By signing this paper, I am agreeing that I will not be covered by Worker's Compensation and that I will hold the Sanpete County Sheriff's Office, Sanpete County and all employees and officers of Sanpete County, harmless for any injury which might occur to me while taking the physical agility tests or as a result of the test.
